GAM java port	Contact group 4 (GAM plugin) about GAM plugin	Yannick	1	2	?	?	
	Understanding GAM java port	Everybody	2	5		5	
Progress toward GOAL goals cause updates state GAM	Testing the initialization of Gamygdala in GOAL	Joost	1	3	yes	3	
	Testing the registering of agents in Gamygdala on instantiation	Rolf	1	3	yes	3	
	Goals for agent must be registered in GAM + testing + setting BW4T for demo	Rolf,Joost, Yannick	1	25	yes	?	Rolf and Joost will have to do a bit more on this task than Yannick to divide the work equally. BW4T is not yet set up at the moment, will be done before monday so that it can be shown in a demo
	default values for achieving/dropping goals	Bernd, Max	2	14	yes	15	Discovered bugs in gamygdala port and noticed that it is not tested very well, needs to be discussed with the gamygdala port group next week
*GAM = gamygdala				66		40,5	This week there are only 3 project blocks where we can work on the actual project.
